BLACK CHRISTIANS DEMAND 'REBUKE' FOR 'UNWISE' OBAMA
"He is putting twisted sexual desires of adults ahead of the needs of children"

President Obama is so dedicated to promoting homosexuality he's putting the "twisted sexual desires" of adults before the needs of children and deserves to be "rebuked" for his unwise decisions, according to several Christian groups in a Father's Day statement.

Black Christian News Network "is calling upon true men of God across this country to rebuke this unwise president for suggesting this ungodliness before our nation, and help him understand that his presidency is in jeopardy, and not because of the oil catastrophe in the Gulf," the news organization said in an online commentary today.

"Our president is so committed to normalizing homosexual conduct that he is putting the twisted sexual desires of adults ahead of the needs of children," added Tim Wildmon, president of the American Family Association. "And with his push to repeal 'Don't Ask, Don't Tell,' he's putting the twisted sexual desires of adults ahead of our national security."

You've suspected it, now here's the proof: A top meteorologist documents how "global warming" is just a cynical, Marx-inspired wealth-grab.

The lobbying to which the organizations objected came over the weekend in an Obama Father's Day statement to the nation.

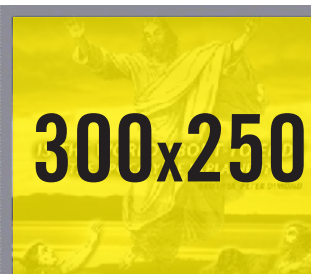

"Together, we can support the guiding presence of male role models in the lives of countless young people who stand to gain from it," Obama said. "Nurturing families come in many forms, and children may be raised by a father and mother, a single father, two fathers, a stepfather, a grandfather or caring guardian."

"This is the first time in our nation's history that a president has used Father's Day as an excuse to promote the radical homosexual agenda and completely redefine the word 'family,'" Wildmon said.

"Virtually all Americans have the common sense to recognize that children need both a mother and a father. Rudimentary biology tells us it's impossible for a child to have two fathers. But here we have the leader of our nation and the Democrat Party celebrating sexual behavior which is contrary to nature and pushing a household structure that we know is harmful to children. This is a sad day for the American family."

Executives there wrote, "Where [are] T.D. Jakes, Eddie Long, Charles Blake, Joel Hunter, Creflo Dollar, Charles Stanley, Noel Jones, Jack Graham, Pat Robertson, Kenneth Ulmer, Rick Warren, Joel Osteen and James Dobson? Where [are] Tony Evans, Frank Page, Al Sharpton, Kirbyjon Caldwell, Ed Young Sr., Ed Young Jr., Jonathan Falwell, Dwight McKissic, Jesse Jackson, Floyd Flake, Frederick Haynes III, David Jeremiah and John Hagee?"
