

WND Survey of Registered Voters – August 29, 2013

15. President Obama announced in 2011 that his administration believed the Defense of Marriage Act to be unconstitutional and that they would not defend it. The law, known as DOMA and signed into law in 1996 by President Clinton, guarantees that states won't be forced to recognize same-sex marriages conducted in other states. Do you agree or disagree that President Obama should be impeached for his handling of this situation?
