

WND.Com Survey of Republican Voters Nationwide – Oct. 22, 2015

Q8. The Speaker of the House does not have to be an elected member of Congress . . . which means Republicans could replace John Boehner with an outsider – someone like former Vice President Dick Cheney or former Speaker Newt Gingrich, or even a business executive, who might bring a new perspective to the job. Would you favor Republicans choosing a new Speaker from within their own ranks or would you favor someone who is an outsider?
